### The COST of REMIX 2021 is

\$500/group + \$18/participant for workbook and materials.

DEADLINE for EARLY BIRD Registration is May 31, 2021 to ensure printing and shipping of materials to arrive before REMIX starts. The LATE RATE is from June 1-22 where the cost will be \$700/group + \$18/participant.

**REMIX** is a 3 day interactive and hands-on mission experience designed to equip, train, and inspire young people to ‘center their lives within the mission and message of Jesus’. Each **REMIX** participant will receive in-depth training each day and be engaged in afternoon mission opportunities throughout your community.

**REMIX 2021**  
The training this year will be led by some of our most experienced trainers. Our hope is that you can gather in your church with your youth and go through the training together, and then engage in a mission experience in your own community. Our REMIX team will be designing interactive experiences for your group each afternoon. Even if there is another COVID lockdown this summer, the afternoon experiences will also have an ‘individual option’ for youth to be fully immersed in living on mission in their communities.
